

**Revive: a new, premium, car detailing product line.
All products are formulated and produced in-house by our chemist, Andy.
British made in The Cotswolds!**

A specially formulated range of car-care products; 'chemistry for your classic car', tested and optimised by our own pro-detailer, Neil. Classic-car friendly formulations ensure all products are equally well-suited to modern-classic and modern finishes.

The Revive range offers a 5-step detailing process with products to suit each stage, namely:

01: Pre-clean – Bug & Grime Remover, Snow Foam,

02: Clean – Luxury Shampoo, Wheel Cleaner, Glass Cleaner, Fallout Remover and Tar & Glue Remover

03: Prepare – Revive Polish, All-in-One Polish and Metal Polish

04: Finish & Protect – Luxury Wax, Carnauba Crème, Hydrophobic Glass Cleaner, Sati Tyre Dressing and Fabric Sealant

05: Maintain – Quick Detailer and Quick Spray Wax

In addition, 'Interior' cleaning, detailing and care cream products are available, also a range of 'Accessories' such as Towels, Merino Wool Square and Mitts and Pucks, Pads and Brushes.

The Revive team – Andy, Neil and Mark – are keen to support local classic car enthusiasts and their clubs. Accordingly we are offering a significant club members' discount scheme and all products are available to buy on-line from: <https://nowrevive.co.uk/> (please ask for your code).
