

APRIL AND MAY DIARY DATES

Our apologies for the lack of the Newsletter this month. However we should have a "bumper" issue in May.

If you would like to contribute for the May edition then please send articles etc to David Slorach at contact@aroccotswolds.co.uk.

April 28th is Drive it Day. Sadly I won't be around but if you are planning a run out and would like some company then please let the other members know. Alternatively there is the "Sunday Scramble" at Bicester.

Saturday May 4th is Auto Italia Day at Brooklands. Always a good day out with plenty to see and do. If you are planning on going and would like to convoy down then we are meeting early at 6.30am at Peartree Services on the A34. Post code: OX2 8JZ.

Sunday May the 12th sees a new event at Bicester Heritage hosted by "Petrolicious". If you haven't seen the videos on You Tube then you are in for a treat. Details of the event can be found here:

<http://bicesterheritage.co.uk/whaton/petrolicious/>

Our Tuesday May meet on the 21st is the run out to Caffeine and Machine at Ettingdon. We have booked from 7pm. If you wish to go straight there that's fine. We can also convoy over from the Fox if you wish. I will need to know rough numbers the week before and who is eating. So please let me know.

Saturday the 26th of May is the excellent " La Vita Rossa" at Prescott. Tickets are now on sale, the booking code is 901T19 for the Saturday. Some of you have confirmed attendance already, thank you. We still do not have confirmation of a Section parking area. I will let you know when/if this happens!

Ciao , Alex
